

Slawomir Nowotny

The principal investigator will benefit from the collaboration of experts in relevant subjects. Prof. Krystyna Szafraniec works at the Department of Sociology of the Nicolaus Copernicus University in Torun and in the Polish Academy of Science in Warsaw. She is a recognized specialist in youth sociology and research on social change. She also specializes in studying social exclusion in the process of transformation, both in domestic and international scientific projects on the process of transformation in the Eastern European Countries (i.a. CNRS-IRESKO Paris). Prof. Helmut Fehr is a specialist in political sociology, privileging research on transformation processes in the former East Central European Societies. He currently works at the Faculty of Applied Social Sciences of the AGH University of Science and Technology in Krakow. His research project on social movement, legitimization and conflict conducted both in East and West European countries will bring to the project the comparative perspective on political aspects of unemployment. Prof. Mieczysław Kabaj works at The Institute of Labour and Social Studies and is a recognized specialist in economy of labor and in social policy.
